Project Manager
Design Lead

BIN MOHD RAFIG Muhammad Raziq
Technical Lead
Rendering Champion

LAW ZongHan
Programmer
Graphics Champion

Game Concept

Connect Runes

Cast Spells

Top-Down Dungeon Crawler

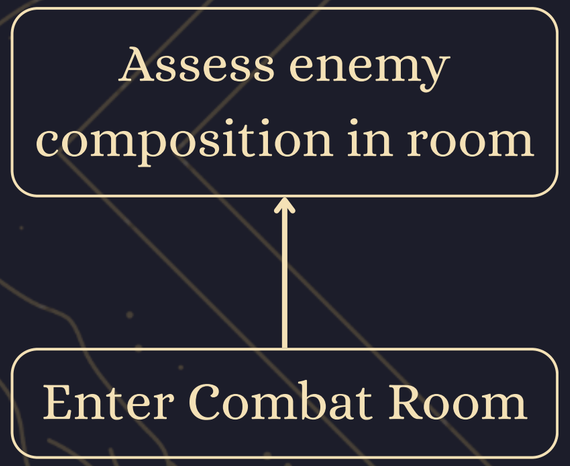

Unique Selling Point

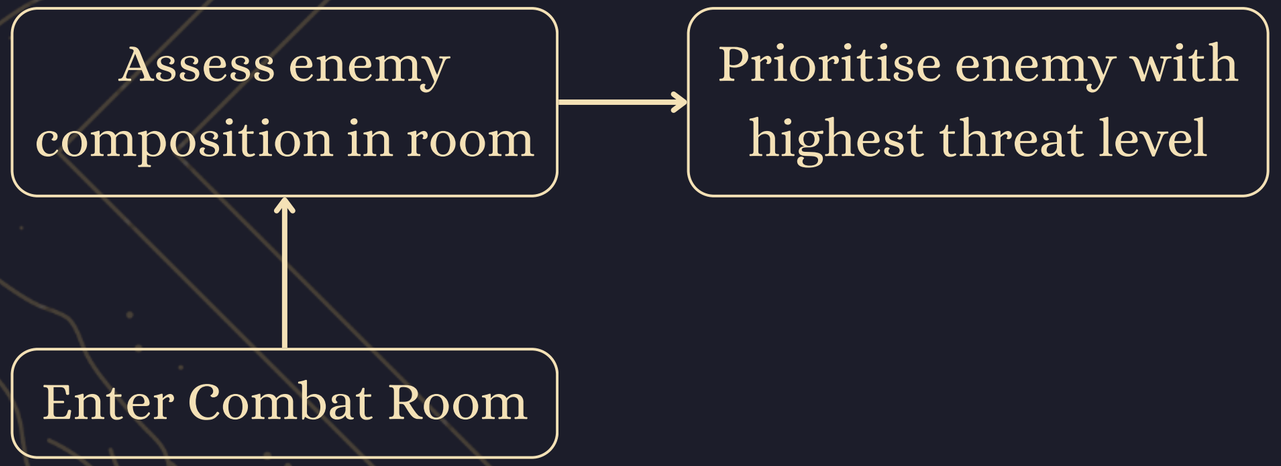

Connecting runes to cast spells immerses the player in the fantasy of drawing out a spell pattern and performing magic instead of just pressing hotkeys

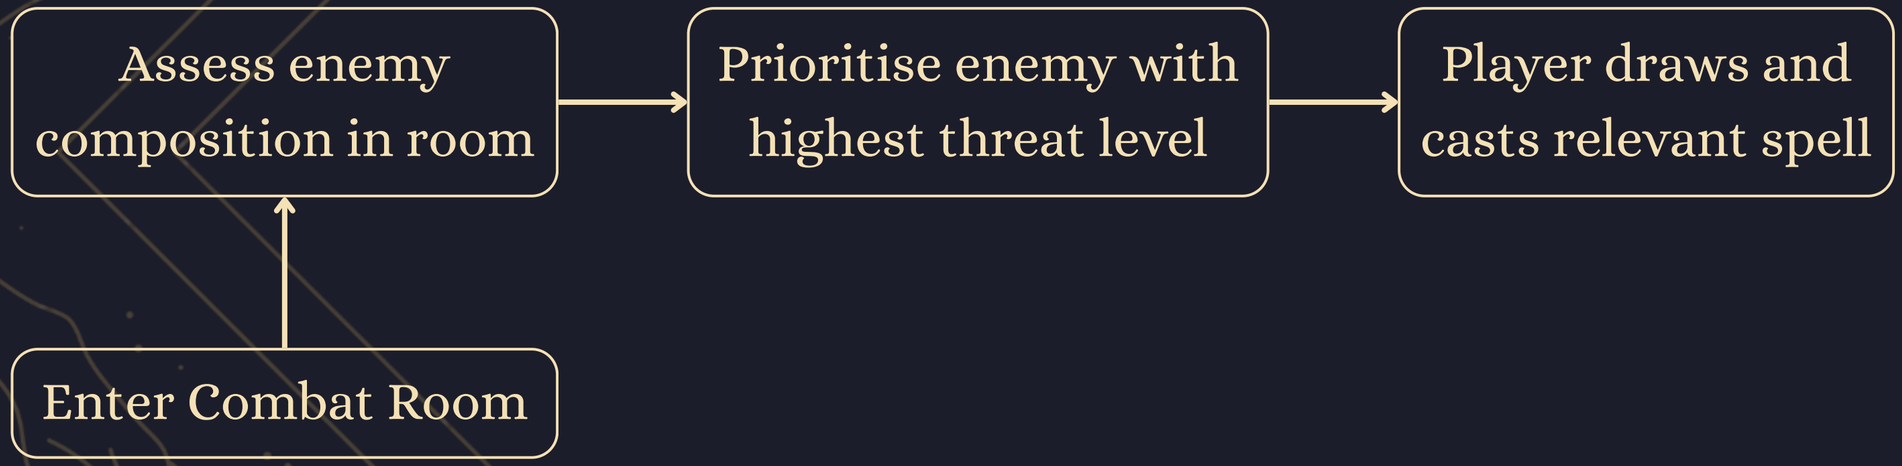

Core Gameplay Loop

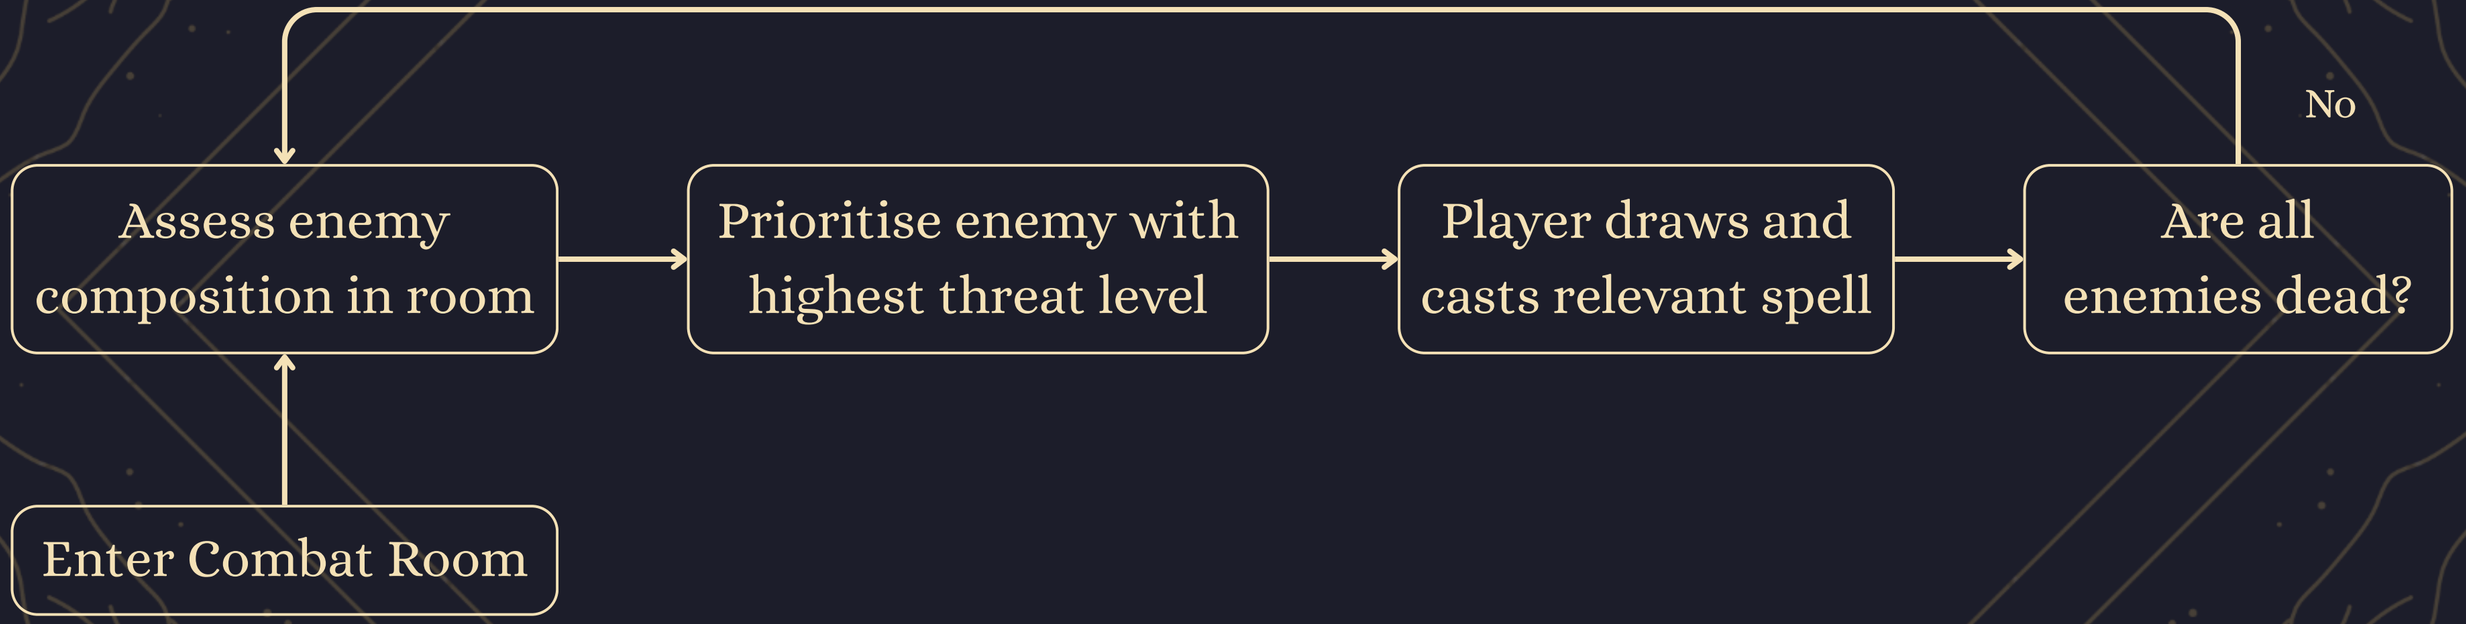

Core Gameplay Loop

Core Gameplay Loop

Core Gameplay Loop

Core Gameplay Loop

Gameplay Demo

Post Mortem

What Went Wrong

SPELLCASTING BALANCE disrupted the overall gameplay feel

TIME MANAGEMENT CHALLENGES left less than desired time for decision making and refinement

What Went Well

SPELLCASTING MECHANIC was intuitive and well-received

RAPID PROTOTYPING enabled quick validation of mechanics and features

Thank You!
